East Europe & Eurasia (MARCH 2008)

**EAST EUROPE & EURASIA**

MAR 2008—PRAY!

REACH OUT!
MAR-APR-MAY '08

**Overview:**

Eastern Europe and Eurasia are comprised of 20 countries with 188 least-reached peoples remaining among them. Serbia and Montenegro lead with 66.8% of their population, almost 7 million people remaining least-reached or less than 2% evangelical and less than 5% adherents to any form of Christianity. However, in sheer numbers, Russia exceeds them with over 12 million least-reached people in 72 different people groups. A decade of a measure of democracy associated with greed, crime, self-seeking politicians, a pervasive mafia and degeneration of the quality of life has caused many in Russia to hanker after the authoritarian certainties of Communist dictatorship. The long-term disastrous distortions of Marxist economies in Eastern Europe adversely affected national infrastructures, ecology and the work ethic of the people. The dominant realities of the 1990's have been the gradual recovery of most former Communist states and the strengthening and planned expansion of the EU from 13 original members to most nations in Europe. Ethnocentrism and religion have become important and major causes for political confrontations since 1990. The church overall in Eastern Europe and Eurasia is small and struggling but there are rays of hope in places like Ukraine. Pray that the spirit of prayer will sweep through the church and revive it. Pray for laborers for this volatile environment that is ripe for the good news.
